NAI Wisinski of West Michigan recognizes the real estate environment facing owners, asset managers, lenders and receivers, and we understand the intricacies that must be dealt with for each transaction. NAI Wisinski is the local market expert for NAI Global, the world's largest managed network of independently-owned commercial real estate firms, and can offer you the service and interoffice communications necessary to help you with the disposition or acquisition of your multifamily properties.

NAI Wisinski offers hands on experience in brokerage, development, ownership, condo conversions, property management, and finance. We understand the owner's perspective and that there are many factors involved in making a prudent investment decision. Our team and relationship-based approach allows us to offer a broader and more long-term continuum of services throughout the acquisition, operations, and disposition processes. Through affiliate relationships, we can offer property management services on both conventional and tax credit properties. NAI Wisinski can act as liaison to that relationship.

While we offer a wide range of services, **our disposition platform is singularly focused on helping you obtain the highest price possible for your property, as fast as possible.** This requires creating maximum market exposure to the largest and most qualified group of investors.
