Our team and relationship-based approach allows us to offer a broader and more long-term continuum of services throughout the acquisition, operations, and disposition processes. Through affiliate relationships, we can offer property management services on both conventional and tax credit properties. NAI Wisinski can act as liaison to that relationship.

While we offer a wide range of services, **our disposition platform is singularly focused on helping you obtain the highest price possible for your property, as fast as possible.** This requires creating maximum market exposure to the largest and most qualified group of investors.
